

**Yellow warning
Fog**

Between
17:00 Thu 13 Jan 2022 and
11:00 Fri 14 Jan 2022

Fog patches will form during the evening and then become more widespread overnight - perhaps leading to some travel disruption.

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

Further details

Fog patches will reform during Thursday afternoon, particularly in river valleys and near lakes, and may become locally dense during the evening with visibility below 100 m in places.

Fog is expected to become more widespread overnight and after dawn on Friday morning with further dense patches, before slowly clearing. However, a few patches may persist into the afternoon.

✓ Medium likelihood of low impacts

Issued at 11:30 Thu 13 Jan, 2022
